

Polton 2018

Volunteers Needed!

Parents and students, Field Day is just around the corner! This is a day to celebrate physical fitness, good sportsmanship, teamwork, and to have fun!

Field Day will be two different days for primary and intermediate grades:

Thursday, May 10 from 8:30 – 12:00 Kindergarten, first, and second grade

Friday, May 11 from 8:30 – 12:00 Third, fourth, and fifth grade.

As in the past, each class will be rotating through stations. At each station, students will be working together to accomplish a goal. Field Day is a time to enjoy the day and have fun with fitness! I hope you will be able to come watch and encourage your child. Please be sure to help them have a successful day by making sure they have their tennis shoes, a water bottle, a hat, inhalers if applicable, and have applied sunscreen. Students are encouraged to bring a sack lunch on their assigned Field Day as it will take a little longer to get through the lunch line.

I am in need of **VOLUNTEERS** to work stations at Field Day. Volunteers should be able to work from 8:15 – 12 noon on either day. With your help, both days will be able to run smoothly and be a fun filled day with fitness for all Polton students. If you are willing and able to volunteer for either day, please sign up at Signup Genius using the link below or by scanning the QR code.
