

It's Time For The Annual Polton Spell-A-Thon!

Friday, April 13th

For our Spring Fundraiser, we take an academic approach to fundraising! The Spell-A-Thon provides a learning experience, while raising money for our classrooms.

Pledges can be obtained from family, neighbors and friends. Pledges are collected for the number of words spelled correctly. For example, if a parent pledges \$1 per word and the student spells 15 out of 20 words correctly, then the pledge total would be \$15. No pledge is too small!

Students will have one week to obtain pledges and study for the spelling test.
